Dear [redacted]

Freedom of Information Reference FOI-2026-3538

I refer to your Freedom of Information (Scotland) Act 2002 (FOISA) request that we received on 21 October 2026 requesting the following information:

1. **The number of uninterruptible power supply (UPS) systems in your estate and, where held, their manufacturer and approximate kVA rating (a summary is fine – site-level locations are not required).**

2. **The name of the current supplier(s) contracted to maintain these UPS systems. If UPS maintenance is delivered within a wider facilities management or M&E contract, please name that contractor and any UPS subcontractor.**

3. **The start date, end date and any extension options of that contract.**

4. **The annual contract value.**

5. **The procurement route used (e.g. framework name, open tender, direct award).**

6. **The job title of the officer responsible for managing the contract.**

It is important to note that from 1 April 2026, NHS National Services Scotland (NSS) and NHS Education for Scotland (NES) joined to form Public Services Delivery Scotland (PSD Scotland), enabling transformation in health, social care, and the wider public sector. More information regarding PSD Scotland can be found at the following URL:

Public Services Delivery Scotland (PSD Scotland)

After a search of our electronic and paper records I can confirm that PSD Scotland holds the information contained in the attached spreadsheet entitles “2026-3538 PSD Scotland UPS Data (Final)”.
