Estates and Facilities Alert

Reference:	Issued:	Review Date:
EFA/2018//005	**19 Sept 2018**	**19 Dec 2021**

Assessment of ligature points

Restricted Alert Placeholder

The Alert referred to above contains information which could undermine the safety of patients, staff and others if misused. To mitigate this risk, the Alert has been cascaded directly to health and social care facilities and it is not available on the public internet.

This Restricted Alert Placeholder has been uploaded in place of the Alert. If you require a copy of the Alert, and are a public or civil service employee, please make contact as indicated in the Enquiries section below.

We reserve the right not to share this Alert with organisations and persons who are unable to demonstrate an appropriate requirement for the information it contains.
