- 1 Informs you if a dentist in your practice has had their figures increased to 'deem' them as Committed for the quarter.
- Whole Time Equivalent.
- 3 Your location code is a unique identifier for your practice.
- 4 The practice start date is required for new practices in designated areas who are deemed committed.
- 5 Your target registrations are the baseline target that your practice is expected to meet.

^{*} These dentists have had their figures increased to meet the minimum criteria as defined in the SDR.

- 6 This area details a breakdown of the number of exempt, remitted and fee paying capitation and continuing care patients you have registered at your practice.
- The date the calculation is run.
- 8 This is the last day in the quarter being reported.
- 9 This is the total number of counted dentists in your practice. We include both full time and part-time dentists.
- 10 Total number of patients registered under each list number.
- Practitioner's gross income.
- Practice Total Actual Actual number of patients registered at your practice.
- Reactice Total Uplifted This line will report if a list number in your practice has had their numbers artificially increased to consider them as committed.
- 14 Practice Average Average number of fee paying patients registered at your practice and the average gross income. This is the data used in determining if your practice meets the criteria for gaining NHS Commitment status as set out by the Scottish Government.
- 15 Your NHS Committed status for this quarter.
