Rent reimbursement - GP234 form reminder

All practices that wish to claim for reimbursement of practice rental costs for financial year 2022/23 are required to submit an up to date GP234 form to us by **28 February 2022**. This will make sure you receive payment for all four quarters of the financial year 2022/23 if you are eligible for this allowance.

If the percentage of the practice's total earnings in the most recent practice financial year that are attributable to NHS earnings **has not changed** since the previous practice financial year, there is no requirement to complete Part 3 of the form. Where there has been a change in percentage since the previous year Part 3 must be completed by an accountant.

Please submit the completed form by email to nss.psd-dental-payments@nhs.scot

If you miss the deadline of 28 February 2022 for payment for all four quarters of the financial year 2022/23, you can still submit the form for part payment of 2022/23 practice rental costs as follows:

- 31 May 2022 for quarters 2, 3 and 4
- 31 August 2022 for quarters 3 and 4
- 30 November 2022 for quarter 4
