	3.3.3 Stoma Forum Briefing paper circulated:					
	 Leads meeting: Craig & Mhairi advised engagement via Health Board stoma forums with briefing paper (circulated) as part of engagement plan to communicate with Health Boards via established Stoma forum (n=6) CS to present the brief and offer Q&A session to HB Stoma Forum on work of NSQIG. CS advised that he will offer to visit Health Boards who do not have established stoma forum to discuss NSQIG and how we progress effective patient engagement. 					
	 CS discussed that it would be useful to understand leadership structures around HB stoma forum; terms of reference, accountability structure and sponsor 					
	 Acknowledged that NSQIG have communicated with key stakeholder groups: Scottish Nurse Director Group & Executive Nurse Director Group, Director of Pharmacy Groups, and key professional groups via members. CS advised it would be usefu to develop short SBAR to SDNDG /DoP regarding pending HB stoma forum engagement. 					
	 In the wider context of communication, CS asked about the number of Stoma CNS in NHSS and how they engage. Tracy advised approximately 25. Meetings via Scottish Stoma Nurse Group are annual but not all attend. CS asked that they are kept informed of NSQIG 					
	Actions:					
	 Alice to amend stoma forum briefing paper and draft SBAR to SDNDG re NSQIG engaging with Health Boards NSQIG members to review amended stoma briefing paper comments to Alice Macleod by <u>28.08.18</u> Tracy to write to all Scottish Stoma Nurse Group to ensure they are informed of NSQIG role and remit and feedback
