

## eDental error message control sheet

Date	Change
6 May 2021	Removed E001370
10 June 2021	Amended E000661
17 September 2021	Added E001381 - 1390
01 December 2021	Added PDS non GDS column
01 February 2022	Added E007030 – E007035 Amended E001338 and E001343
01 November 2023	Added E002000 – E002005, E002008, E002009 Amended E000675, E000678, E000684, E000689, E000690, E000691, E000692, E001117, E001131, E001324, E001325, E001340, E001342, E001343, E001380 Removed E000679
01 April 2024	Added E002016, E002017 Amended E002005
18 June 2024	Amended E000802 and E002001
01 August 2024	Added E002006, E002010, E002011, E002012, E002013, E002018, E002019, E002020, E002021, E002022, E002023, E002024, E002027, E002028 Amended E000626, E000684, E000691, E000692, E001115, E001351, E002001, E002003, E002005
06 April 2025	Added E000730, E000731 and E000732

## List of Error Codes and Messages for eDental Payments, ePrior and eOrtho

Error Code	Description	Additional Guidance for Practitioners	Used in			
			eDental Payments	ePrior	eOrtho	PDS non GDS
<b>E000501</b>	Location is not registered for eDental.	Contact our Dental Helpdesk, so we can check your practice status. You must be set up in our system in advance, in order to transmit claims via eDental.	Y	Y	Y	Y
<b>E000502</b>	Incorrect PMS and version have been supplied.	The current version of your supplier's software must be accredited by us, to allow you to submit electronically. Contact your supplier to confirm that the software version installed at the practice is the current version and is accredited.	Y	Y	Y	Y
<b>E000503</b>	Check the list number as it is invalid.	The list number you have entered is incorrect; there is no dentist at your location with this list number.	Y	Y	Y	Y
<b>E000504</b>	No location found for list number.	Make sure the list number has been entered correctly, check it is the list number provided by the NHS Board. If it is found to be correct, contact our Dental Helpdesk.	Y	Y	Y	Y
<b>E000505</b>	The list number is not marked as being eDental enabled, but the claim was received via eDental.	Contact our Dental Helpdesk, so we can check the list number status. This must be set up in our system in advance, in order to transmit claims via eDental.	Y	Y	Y	Y
<b>E000506</b>	The commitment list number is for commitment payments only. You cannot claim for treatment using this list number.	You have tried to submit a claim using a commitment list number; this list number type cannot be used to submit claims. Resubmit the claim using the correct list number.	Y	Y	Y	Y
<b>E000507</b>	No claims can be made against the list number. Check the correct list number has been entered.	You have tried to submit a claim using either an incorrect list number or a type of list number that cannot be used to submit claims. Resubmit the claim using the correct list number.	Y	Y	Y	Y
<b>E000508</b>	Check the Personal Identification Number (PIN), as the PIN supplied is invalid.	The PIN was issued to the individual dentist by NHSmail. If you cannot locate the email, contact our Dental Helpdesk.	Y	Y	Y	Y
<b>E000509</b>	The claim reference number has already been used for this list number and a case is either being processed or has already been paid.	You cannot re-use a reference number that has already been submitted. Confirm you have not previously submitted the claim. If you have not previously submitted the claim, contact our Dental Helpdesk.	Y	Y	Y	Y

<b>E000510</b>	The claim has been received previously with a higher submission count.	Contact your practice management system (PMS) supplier, as they will need to make sure the submission count for this claim is not lower than a previous submission.	Y	Y	Y	Y
<b>E000511</b>	A previous valid submission for the claim is being progressed by the payment system.	An amended claim cannot be submitted if we have already processed it through to our payment system. You should follow the claim adjustment process once payment has been made and complete a Dental 283 form, if required.	Y	N	N	Y
<b>E000601</b>	A patient details response code must be supplied if the Community Health Index (CHI) number is not specified.	You must carry out a patient details check if you have not included a CHI number in your submission.	Y	Y	Y	Y
<b>E000603</b>	The patient details response code has been used for a previous claim reference.	Carry out a new patient details check, using the list number of the dentist who is making the payment claim.	Y	Y	Y	Y
<b>E000604</b>	Previous case id must have been claimed by a different list number at the same practice.	The case ID entered for the previous/original claim must relate to a claim for the same patient and the list number for a dentist at the same practice.	Y	Y	N	Y
<b>E000605</b>	The patient details on the previous case id do not match the claim being submitted.	Patient details on the current claim must be the same as on the previous case ID. Check the previous case ID is correct. Patient details can be amended by submitting a patient detail amendment form, Dental 287, after claim has been submitted.	Y	N	N	Y
<b>E000606</b>	The part number appears to be invalid. It must be +1 from the previous case id and all previous parts must form a sequence starting at 1.	Confirm you have submitted the previous part numbers of this continuation case in the correct order. There must be at least 1 day between submission of claims for different part numbers.	Y	N	Y	Y
<b>E000607</b>	Check the patient's surname; ensuring only alphabetic characters are used.	The patient's surname must be made up of only alphabetic characters, a hyphen (-) or spaces.	Y	Y	Y	Y
<b>E000608</b>	Patient surname must not begin with a hyphen.	Patient surname must be alphabetic (can also contain a hyphen or space), but must not begin or end with either a hyphen or a space.	Y	Y	Y	Y
<b>E000609</b>	Check the patient's forename; ensuring only alphabetic characters are used.	The patient's forename must be made up of only alphabetic characters, a hyphen (-) or spaces.	Y	Y	Y	Y
<b>E000610</b>	Patient forename must not begin with a hyphen.	Patient's forename must be alphabetic (can also contain a hyphen or space), but must not begin or end with either a hyphen or a space.	Y	Y	Y	Y
<b>E000611</b>	Check the patient's previous surname ensuring only alphabetic characters are used.	The patient's previous surname must be made up of only alphabetic characters, a hyphen (-) or spaces.	Y	Y	Y	Y

<b>E000612</b>	Patient previous surname must not begin with a hyphen.	Patient's previous surname must be alphabetic (can also contain a hyphen or space), but must not begin or end with either a hyphen or a space.	Y	Y	Y	Y
<b>E000613</b>	The patient's Community Health Index (CHI) number is invalid.	The format of the CHI number must be ten digits, starting with 0, 1, 2, or 3.	Y	N	N	Y
<b>E000614</b>	Check the patient's Community Health Index (CHI) number as the first 6 digits must match the patient's date of birth.	The first 6 characters of the CHI number must match the patient's date of birth, in ddmmyy format.	Y	Y	Y	Y
<b>E000615</b>	The ninth digit of the Community Health Index (CHI) number has to be odd for males and even for females.	The ninth character of the CHI number must be an odd number if the patient's sex is M and an even number if the sex is F.	Y	N	N	Y
<b>E000616</b>	Check the Community Health Index (CHI) number as the check digit is incorrect.	If using a CHI number held within your practice management system (PMS), it may be incorrect. Remove it and undertake a new patient details check.	Y	Y	Y	Y
<b>E000617</b>	Check if patient's date of birth has been entered correctly.	The patient's age on the acceptance date must be less than the maximum allowable age, set to 110 in our systems.	Y	Y	Y	Y
<b>E000618</b>	The patient's sex must be entered; "M" for Male or "F" for Female.	The patient's sex must be entered; "M" for Male or "F" for Female.	Y	N	N	Y
<b>E000619</b>	At least one line of the patient's address must be supplied.	At least one line of the patient's address must be supplied.	Y	N	N	Y
<b>E000620</b>	You have claimed one or more treatment codes that are restricted to under 15 year olds and the patient is 15 or over.	The item claimed is only available for patients aged under 15. Check the patient's date of birth and the code(s) being claimed.	Y	Y	N	Y
<b>E000622</b>	If fee codes and amount claimed have been supplied, it is necessary to enter the acceptance date, completion date and approval date (if applicable).	The Date of Acceptance and Date of Completion must be entered if treatment details have been included on the claim. If the claim requires prior approval, you must include the approval date. If you do not know where to enter this on your system, contact your supplier.	Y	N	N	Y
<b>E000623</b>	Claim dates are not in the correct sequence. These dates must also be in sequence against the start and end dates of the list number.	The various claim dates (if supplied) must be in ascending order, as follows: Patient's date of birth; acceptance date; approval date; fitted date; completion date; current date.	Y	Y	Y	Y

<b>E000624</b>	The date of Registration/ Acceptance for treatment does not fall within a valid Statement of Dental Remuneration (SDR).	Confirm the acceptance date, as it appears to be invalid.	Y	Y	Y	Y
<b>E000625</b>	The completion date does not fall within a valid Statement of Dental Remuneration (SDR).	Confirm the completion date, as it appears to be invalid.	Y	N	N	Y
<b>E000626</b>	Your claim was not received within 3 months of the completion date.	If completion date on the claim is more than 3 months ago, it will be rejected on the first submission. If there is a good reason why the claim was not submitted within the 3 month timeframe, email <a href="mailto:NSS.psd-customer-admin@nhs.scot">NSS.psd-customer-admin@nhs.scot</a> with details of the number of claims affected and the reason. If reason is accepted, we will provide a unique one-time code to be added to observations for re-submission.	Y	N	Y	N
<b>E000627</b>	The acceptance date must be on or after the implementation date of the form type.	Confirm the acceptance date is valid.	Y	Y	Y	Y
<b>E000628</b>	The approval date must be after or equal to the acceptance date. Note: the approval date must be the approval date provided by Practitioner Services.	The Date of Approval must be on or after the Acceptance Date and must match the approval date held in our records.	Y	N	N	Y
<b>E000630</b>	At least one treatment must be included on this claim.	Treatment must be included on this claim.	Y	N	N	Y
<b>E000631</b>	An adult registration only claim is not allowed.	Treatment must be included on this claim.	Y	N	N	Y
<b>E000632</b>	This List number cannot claim a PDS Non-GDS Claim.	The list number used for submission is not recognised as operating under the Public Dental Service (PDS). Make sure the list number used is correct.	Y	N	N	Y
<b>E000635</b>	Referral payments have been claimed but claim type is not "referred patient".	If claiming a referral fee, the patient registration status must be "I wish to be treated by this dentist as a referred patient".	Y	N	N	Y
<b>E000637</b>	You have supplied comments for 'No Radiographs available' but have specified that radiographs are available.	You have indicated radiographs are available, yet have entered remarks into the "No radiographs available" box. Amend as appropriate.	Y	Y	N	Y
<b>E000638</b>	Dentist's declaration has not been entered.	Make sure the dentist's declaration has been completed.	Y	N	N	Y
<b>E000639</b>	You have specified that the patient refused treatment but not supplied any observations.	You have indicated the patient has refused treatment, details must be provided in observations.	Y	N	Y	Y

<b>E000640</b>	You are claiming a patient failed to return fee, but not selected the patient failed to return box.	As you are claiming a fee for incomplete treatment for a patient that failed to return (PFTR), you must also indicate that the claim is PFTR.	Y	N	Y	Y
<b>E000641</b>	The patient's declaration on completion section is incomplete or missing.	The patient must complete their declaration by signing a PR form or digital equivalent using an eSignature. You must indicate this has been obtained.	Y	N	N	Y
<b>E000642</b>	A representative name must be supplied if the patient's representative signed for treatment.	If a patient's representative signature has been obtained, the full name of the representative must also be recorded.	Y	Y	Y	Y
<b>E000643</b>	Patient's signature date is missing.	The date the patient completed their declaration, either on a PR form or digital equivalent using an eSignature, must be entered.	Y	Y	Y	Y
<b>E000644</b>	The patient's signature is missing.	The patient must complete their declaration by signing a PR form or digital equivalent using an eSignature. You must indicate this has been obtained.	Y	Y	N	Y
<b>E000645</b>	The patient's contribution to the cost of treatment must be less than the total amount claimed. Check both amounts entered.	The patient's contribution to the cost of treatment must be less than the total amount claimed. Check both amounts entered.	Y	N	N	Y
<b>E000646</b>	A treatment cost total has been entered in the amount claimed field, yet no treatment codes have been supplied. The coded amount and the amount claimed must be equal.	If the amount claimed value should be greater than £0, make sure item of service codes are entered, otherwise adjust the amount claimed value.	Y	N	N	Y
<b>E000647</b>	Treatment codes are entered, but there is no total amount entered. The coded amount and the amount claimed must be equal.	The total amount entered differs from the total expected for the specified treatment codes on the claim. Review and amend as appropriate.	Y	N	N	Y
<b>E000648</b>	Patient charge cannot exceed the statutory amount.	The patient charge must not exceed the maximum statutory amount specified in the SDR, relevant to the claim's acceptance date.	Y	N	N	Y
<b>E000649</b>	Patient charge across all continuation parts cannot exceed the statutory amount.	The combined patient charge across all parts of a continuation case must not exceed the maximum statutory amount specified in the SDR, relevant to the claim's acceptance date.	Y	N	N	Y
<b>E000650</b>	Only one Department of Social Security (DSS) remission or exemption can be entered.	Only one remission or exemption can be entered.	Y	N	Y	Y

<b>E000651</b>	Check the patient's date of birth and the exemption claimed. The patient must be 18 years of age at the acceptance date to claim exemption as a full time student.	Check the patient's date of birth, acceptance date and the exemption claimed. The patient must be 18 years of age at the acceptance date to claim exemption as a full time student.	Y	N	Y	Y
<b>E000653</b>	The exemption category 'under 18 years of age' has been supplied, but the patient's age at the acceptance date was over 18. Check the patient's date of birth, acceptance date and exemption/remission category have been supplied correctly.	Check the patient's date of birth, acceptance date and exemption/remission claimed.	Y	N	Y	Y
<b>E000655</b>	The exemption has been completed as 'expecting a baby' or 'had a baby in last 12 months', but the sex of the patient has been entered as male.	Check the patient's sex and exemption/remission category.	Y	N	Y	Y
<b>E000657</b>	The HC3 certificate number has not been specified.	The HC3 certificate number must be specified if the exemption code on completion is HC3.	Y	N	Y	Y
<b>E000658</b>	The benefit recipient name is missing.	If the patient does not have to pay charges (on completion) because they are included in an award of an exemption/remission, the full name of the person who gets the benefit or credit must be provided.	Y	N	N	Y
<b>E000659</b>	No change in remission status has been indicated, but you have specified exemption on acceptance details.	If the remission status has changed during the course of treatment, the relevant status change box should be completed.	Y	N	N	Y
<b>E000660</b>	Only one DSS remission or exemption can be entered.	Only one Department of Social Security (DSS) remission or exemption can be entered.	Y	Y	Y	Y
<b>E000661</b>	Patient must be 18 as at the acceptance date to claim a 'FT Student' exemption.	Check the patient's date of birth, acceptance date and the exemption claimed.	Y	Y	Y	Y
<b>E000663</b>	The under 18 flag is checked but the patient's age as at the acceptance date was over 18.	Check the patient's date of birth, acceptance date and the exemption claimed.	Y	Y	Y	Y
<b>E000665</b>	Please check the sex of the patient, and the exemption category. The exemption has been completed as 'expecting a baby' or 'had a baby in last 12 months', but the sex of the patient has been entered as male.	Check the patient's sex and exemption/remission category.	Y	Y	Y	Y
<b>E000667</b>	The HC3 certificate number has not been specified.	The HC3 certificate number must be specified if the exemption code on acceptance is HC3.	Y	Y	Y	Y

<b>E000669</b>	Patient charge must be zero for the remission details specified.	Unless the patient has a remission of HC3 at completion then the patient charge must be £0.	Y	N	Y	Y
<b>E000670</b>	Patient charge must not be zero for the remission details specified.	If a patient has a remission of HC3 on completion, the patient charge cannot be £0.	Y	N	N	Y
<b>E000671</b>	Exemption category is invalid for a PDS Non-GDS claim.	Non GDS claims must use the completion exemption code specified solely for the purpose of submitting non GDS.	Y	N	N	Y
<b>E000672</b>	Exemption category is invalid for a PDS Non-GDS claim.	Non GDS claims must use the acceptance exemption code specified solely for the purpose of submitting non GDS.	Y	N	N	Y
<b>E000673</b>	As there is a completion date entered, enter the appropriate fee code(s), for the work carried out and being claimed.	If a Date of Completion is included on the claim, at least one treatment should appear on the claim.	Y	N	N	Y
<b>E000674</b>	You cannot claim Item 35(A) treatments in respect of a patient being treated under the domiciliary care regulations.	When treating patients under enhanced domiciliary care regulations you cannot claim item 35(A).	Y	Y	Y	Y
<b>E000675</b>	An item on the claim has been marked as free replacement, but is not specified in the SDR as a free replacement item. Please note that repair or replacement must be within 12 months of the original treatment date unless it is as a result of trauma.	The item being claimed as a free replacement is not recognised as a free replacement item within the SDR.	Y	Y	N	Y
<b>E000676</b>	You have specified "Free Replacement" for one or more treatments but the claim does not indicate Trauma has occurred.	External trauma is the only circumstance under which a free replacement is acceptable.	Y	Y	N	Y
<b>E000677</b>	Treatment code and quantity are not valid on the date of acceptance.	The code being claimed does not exist in the Statement of Dental Remuneration (SDR) for that date of acceptance.	Y	Y	Y	Y
<b>E000678</b>	Claims including treatment for which radiographs are required must indicate either Radiographs are available or a radiograph treatment code claimed or the No radiographs comments supplied.	Where an item is noted in the Statement of Dental Remuneration (SDR) as requiring radiographs, the following applies if the acceptance date is prior to 1 November 2023: Radiographs available must be selected OR a radiograph treatment must be claimed, OR appropriate remarks by the dentist are recorded because no radiographs are available or being claimed.	Y	Y	Y	N
<b>E000680</b>	Invalid tooth identifiers have been specified.	The tooth notation provided is invalid for the fee code specified. NOTE: Retained deciduous teeth for adults should be recorded as permanent teeth.	Y	Y	Y	Y

<b>E000681</b>	Provide details of the tooth notation for all tooth specific items or if you are claiming for a capitation/ continuing care code make sure the tooth notation is correct for that code. Retained deciduous teeth in adults should be coded as permanent teeth.	Ensure the tooth notation is correct for the tooth specific items specified on the claim.	Y	Y	Y	Y
<b>E000682</b>	The quantity claimed for the tooth specified treatment does not match the number of tooth identifiers specified.	The number of teeth specified must equal the number of treatments for the item being claimed.	Y	Y	Y	Y
<b>E000683</b>	Form Type cannot be GP17-1 whilst Interim Fee Codes are present on the claim.	The interim fee code specified cannot be claimed on GP17-1 form type.	Y	N	N	Y
<b>E000684</b>	An invalid Annotation code has been specified in the dental chart.	The Annotation Code specified within the dental chart record is not recognised.	Y	Y	N	Y
<b>E000685</b>	The specified tooth surface is invalid.	Only the following tooth surface indicators can be used, up to a maximum of 5 surfaces: M - Mesial, O - Occlusal, D - Distal, B - Buccal (back teeth) or Labial (front teeth), P - Palatal (upper), L - Lingual (lower), I - Incisal.	Y	Y	N	Y
<b>E000686</b>	You cannot claim Special Needs for a patient being treated under the domiciliary care regulations.	When treating patients under enhanced domiciliary care regulations you cannot claim Special Needs.	Y	Y	N	Y
<b>E000687</b>	A Tooth surface must only be used once within a dental chart record.	You cannot chart the same tooth surface more than once per tooth.	Y	Y	N	Y
<b>E000689</b>	Annotation code must be F or IN if a tooth surface has been specified.	If a tooth surface is specified, the annotation indicator must relate to either a filling (F) or inlay/onlay (IN).	Y	Y	N	Y
<b>E000690</b>	A tooth surface must be specified if Annotation code is F or IN.	If claiming a filling (F) or inlay/onlay (IN), the tooth surface must be specified.	Y	Y	N	Y
<b>E000691</b>	Material must not be specified unless annotation code is F.	The material, A - Amalgam, R – Resin or G – Glass, can only be specified if a filling is being claimed.	Y	Y	N	Y
<b>E000692</b>	Material must be specified if annotation code is F.	The material, A - Amalgam, R – Resin or G - Glass must be specified if claiming a filling.	Y	Y	N	Y

<b>E000693</b>	A treatment has been specified without a matching dental record.	If treatment is detailed on the claim, charting must be provided.	Y	Y	N	Y
<b>E000694</b>	A charting record has been supplied without a matching treatment record.	A charting record consists of an annotation code, surface, material and supernumerary flag (if appropriate) for an item of treatment. For the tooth specified in the error, the annotation code, surface and material detailed are not required.	Y	Y	N	Y
<b>E000695</b>	BPE score is invalid.	For each section of the Basic Periodontal Examination (BPE), a score in the range 0 to 4 can be provided. You can add an asterisk (*) to a score, if furcation is present. If no score is being provided for the sextant (for example, no teeth are present) a dash or cross must be recorded (- or X).	Y	Y	Y	Y
<b>E000696</b>	One or more treatments require prior approval but no prior approval authorisation details have been specified.	The prior approval authorisation date must be entered on the claim.	Y	N	N	N
<b>E000697</b>	Claim requires prior approval but no prior approval authorisation details have been specified.	The prior approval authorisation date must be entered on the claim.	Y	N	N	Y
<b>E000698</b>	One or more repair or replacement treatments claimed, but without trauma indicated.	External trauma must be indicated where a free replacement is claimed.	Y	N	N	Y
<b>E000699</b>	You have claimed a treatment that is restricted to a patient being treated under the domiciliary care regulations.	The item claimed can only be claimed under the enhanced domiciliary care regulations. Additional information will be provided to indicate the item code claimed in error.	Y	Y	Y	Y
<b>E000700</b>	Cannot claim a 10(C) treatment if the gap between acceptance and completion is less than 3 whole months.	Check acceptance and completion dates entered. Refer to the Statement of Dental Remuneration (SDR) for minimum number of visits required.	Y	N	N	Y
<b>E000701</b>	Completion date must be specified of amount claimed is greater than zero.	Completion date must be entered.	Y	N	N	Y
<b>E000702</b>	Claim submitted with item 36(E) no fee is payable for item 36e in connection with any item of treatment other than items 35 (domiciliary visits and recalled attendance) and 45 (continuing care payments).	Please refer to the treatment description and proviso conditions specified in the Statement of Dental Remuneration (SDR) under item 36(E).	Y	N	N	Y

<b>E000703</b>	A body corporate assistant claim cannot result in a registration/roll on. Please check claim type.	A body corporate assistant cannot select claim type 'I wish to be registered/continue to be registered with this dentist.	Y	N	N	Y
<b>E000704</b>	Item 17 treatment(s) have been claimed without a corresponding 1700 treatment also being claimed.	The additional arch fee (1700) must be claimed with treatments under item 17.	Y	N	N	Y
<b>E000705</b>	Item 18(a) to 18(f)(2) or 29(D) treatments have been claimed without a corresponding Item 2b and models available not set.	For items 18(a)-(f)(2) and 29(D) you must either indicate models are available or claim item 2b.	Y	N	N	N
<b>E000707</b>	Acceptance date on a continuation case must be the same as the acceptance date on all previous parts.	Each claim that is part of a continuation case must have the same acceptance date.	Y	N	Y	Y
<b>E000709</b>	Prior approval is required as the total value of treatments across all continuation parts of the claim exceed the authorisation limit.	Prior approval is required. If you already have approval for this claim, the prior approval date must be entered.	Y	N	N	Y
<b>E000710</b>	A reason for referral must be provided for a referred patient.	Where the claim type is "I wish to be treated by this dentist as a referred patient", the reason for referral must be provided.	Y	Y	Y	Y
<b>E000711</b>	A reason for referral must not be provided for anything other than a referred patient.	Where a reason for referral is provided, the claim type must be "I wish to be treated by this dentist as a referred patient".	Y	Y	Y	Y
<b>E000712</b>	The HC2 certificate number has been specified without the corresponding exemption category being selected.	If an HC2 certificate number has been supplied, the exemption/remission category selected must be HC2.	Y	N	Y	Y
<b>E000713</b>	The HC2 certificate number has been specified without the corresponding exemption category being selected.	If an HC2 certificate number has been supplied, the exemption/remission category selected must be HC2.	Y	Y	Y	Y
<b>E000714</b>	The HC3 certificate number has been specified without the corresponding exemption category being selected.	If an HC3 certificate number has been supplied, the exemption/remission category selected must be HC3.	Y	N	Y	Y
<b>E000715</b>	The HC3 certificate number has been specified without the corresponding exemption category being selected.	If an HC3 certificate number has been supplied, the exemption/remission category selected must be HC3.	Y	Y	Y	Y
<b>E000716</b>	The benefit recipient name has been specified without the corresponding exemption category being specified.	The benefit recipient name should only be specified when the exemption/remission category is a benefit or credit.	Y	N	Y	Y
<b>E000717</b>	The benefit recipient name has been specified without the corresponding exemption category being specified.	The benefit recipient name should only be specified when the exemption/remission category is a benefit or credit.	Y	Y	Y	Y

<b>E000718</b>	The dental charting contains an invalid tooth code.	The dental charting contains an invalid tooth code; FDI 2-digit notation must be used.	Y	Y	Y	Y
<b>E000719</b>	The benefit recipient name has been specified without a corresponding date of birth or national insurance number.	If the exemption details include a benefit recipient name, either the recipient's National Insurance number or date of birth MUST be included.	Y	N	Y	Y
