

## PMS supplier position for GOS changes

There are a number of changes being introduced to GOS in Scotland from 1st August 2025.

All PMS suppliers are aware of the changes and timescales required to support them.

The following table is an indication of the dates each PMS supplier is targeting for delivery.

All those currently using the web form can continue to do so. Below are the positions of those PMSs using either 'System to Sytem' (i.e. fully integrated) or the 'Query String'

		Proposed dates - PMS supplier readiness		
PMS supplier	Solution	Fit for Purpose Testing	Start Accreditation	Completed Accreditation
