Morning Stef,

Sure, I think we need to consider the commissioner's findings in detail before considering the new request and the referrals sitting invalidation with the Commissioner.

Are you free on Thursday 5th May between 11:00 and 14:00?

Many thanks & kindest regards,

Roddy

Hi Roddy

It would be good to discuss this one given the previous response issued and OSIC decision – although, having read it now, I am not sure that it means we should just issue the information.

There may be merit in a discussion with NHS Fife as to whether, in this instance, the best option is just to issue confirmation of the sums paid.

I will ask our finance team to confirm how much that is now.

Thanks

Stef
