

# Safety Information Message

**Reference:** SIM2506

**Issued:** 06 November 2025

**Review Date:** 06 November 2026

## Relaunch of TURAS e-learning module: Role of the Incident Reporting and Investigation Centre (IRIC)

### Summary

This Safety Information Message relaunches the TURAS IRIC e-learning module to health and social care professionals working within health boards and local authorities in Scotland.

### Action

1. Direct this notice to all appropriate managers, staff and users.
2. All health board and local authority staff working with medical devices, IVDs, estates, facilities, social care equipment and PPE should undertake this e-learning module [here](#)

### Background Information

This TURAS IRIC e-learning module was first launched in November 2024 and highlighted in SIM2409. IRIC has updated the module, based on user feedback, and it is being relaunched. It introduces health and social care professionals to Scotland's national Incident Reporting and Investigation Centre (IRIC). It informs staff working within health boards and local authorities of their responsibilities and the importance of reporting adverse incidents to IRIC when they involve medical devices, IVDs, estates, facilities, social care equipment and PPE.

Additional IRIC learning resources and tools can be accessed [here](#)

### Suggested onward distribution (may not include all affected departments)

**All sectors:** safety & risk management, frontline and operational managers.

**Health boards:** all clinical, scientific, AHP and technical specialties; all primary care professionals; governance and support departments (medical physics, estates & facilities, clinical governance, IPC, moving & handling, procurement).

**Local authorities:** homecare, residential care, care home services, equipment services, AHPs, moving & handling.

**Other:** contracted independent
