We have now completed the search of our records and can provide you with the following information:

Under Section 17 of the Freedom of Information Scotland Act, 2002 (FOISA) an organisation does not have to provide the requested information if it does not hold that information. NHS National Services Scotland (NSS) cannot provide details regarding the number of patients treated as this level of detail is not held by us. What we can provide you with is the following appendices.

Appendix 1 – Plasma products January to December 2025. This appendix provides the number of vials used broken down by size, that were distributed to NHS Scotland Hospitals in 2025. This is for usage of Beriplex and Prothromplex only.

Appendix 2 – Further plasma products January to November 2025, provides the volumes of FIEBA, Fibrogammin p and RiaSTAP used (please note data for December 2025 is not yet available).

You may wish to contact the individual Health Boards (HBs) to obtain more information regarding the usage of these medicines. Addresses are as follows:
