Good Morning,

I hope you are well. I'm hoping you can put me in contact with the correct representative for Zapain here in the UK.

I'm contacting on behalf of National Procurement to gauge the impact the upcoming co-codamol shortage will have on the supplies you have here in Scotland.

Zapain 30mg/500mg has been awarded to the National Procurement Framework from the 1<sup>st</sup> of February. I wanted to check if you foresee any supply disruptions to this line and if you have capacity to support an uplift in use.
