PSD Scotland has now completed a search of our records and can confirm that under the [FOISA Section 17 exemption for "Information not held"](#), PSD Scotland does not hold the information that you have requested as CAJE ref LOGG020, Warehouse Supervisor did not match into a national profile, therefore a Job Analysis Questionnaire (JAQ) was completed. Please find attached a copy of the JAQ.

The current banding for the post LOGG020 is a band 5.

The job description was amended in 2021 for recruitment purposes only. Amendments were mainly to reflect the reporting line and organisational chart for the Eurocentral warehouse location. The scoring or banding of the job description were not changed. Please find attached latest version of the job description along with previous version.
