Dear [REDACTED],

Freedom of Information Reference FOI-2026-3437

I refer to your Freedom of Information (Scotland) Act 2002 (FOISA) request that we received on 24 July 2026 requesting the following information:

I would like to submit an FOI request for NHS National Services Scotland: The volume in grams of immunoglobulin distributed/issued to NHS National Services Scotland (i.e. the quantity received by the Trust) in each month for April, May, June 2026, broken down by product (see below). Number of vials is fine if you don't hold grams. I would also like the number of unique patients treated by brand over the period, if available.

- * Vigam
- * Flebogamma DIF
- * Gammaplex
- * Gamunex-C
- * Octagam
- * Gamten
- * Kiovig
- * Intratect
- * Privigen
- * Iqymune
- * Gammanorm

- * Subgam

- * Cuvitru
- * Panzyga
- * Xembify
- * Cutaquig
- * Vyvgart (Efgartigimod)

Please note, where a product is not listed, this will be because we do not hold any record of those products being distributed to NHSScotland Hospitals for the months requested.
