

Public Services Delivery Scotland - Freedom of Information – FOI2026-3453
Annex A

The below table details the number of posts per group, the total applicants allocated to each group and the total applicants who gained first choice within the group. Under Section 38(1)(b) of the FOISA 2002, data suppression has been applied where the value is less than, or equal to, five. Secondary suppression has also been applied, as denoted by an asterisk symbol.

More detailed information about the groups and programmes is available via:
