

PSD Scotland – Freedom of Information – FOI2026-3478

Annex A

The below tables detail the Annual Review of Competence Progression (ARCP) outcomes for the GP Speciality Training Programmes for the last five academic training years, commencing from the first Wednesday in August of each year.

* Under Section 38(1)(b) of the FOISA data where the figure is less than five has been suppressed. Secondary suppression has also been applied to some cells where the data is over five as it is possible to deduct the hidden numbers under five by calculation.

This information is considered to be personal data. By disclosing all or part of this information it may be possible for persons to be able to identify themselves or others. Individuals have a reasonable expectation that this personal information will not be disclosed.
