Dear [REDACTED]

Freedom of Information Reference: FOI2026-3495

Thank you for your information request received on 17 September 2026 by Public Services Delivery Scotland (PSD Scotland).

From 1 April 2026, NHS Education for Scotland (NES) and NHS National Services Scotland (NSS) joined to form PSD Scotland, enabling transformation in health, social care, and the wider public sector. This means your Freedom of Information request is now being responded to by PSD Scotland.

Your Request

1. The name and job title of the most senior officer responsible for ICT, digital and technology (for example the Chief Information Officer, Chief Digital Officer, Head of ICT or equivalent), and the business email address and business telephone number published or used for that role.

2. The name and job title of the officer responsible for the delivery of ICT, network and business-systems projects, if that is a different person, with the same business contact details.

3. The name and job title of the officer who owns the organisation's telephony and network contracts, if that is a different person again.

I wish to advise under the Freedom of Information (Scotland) Act 2002 (FOISA), that PSD Scotland can provide a full response to your request, as detailed below.

Both former organisations are still going through a consolidation period and have members of staff carrying out the same or similar roles within both legacy organisations. This has been detailed within the answers provided.

Chair Mr Keith Redpath
Chief Executive Professor Karen Reid

1. The name and job title of the most senior officer responsible for ICT, digital and technology (for example the Chief Information Officer, Chief Digital Officer, Head of ICT or equivalent), and the business email address and business telephone number published or used for that role.
