Freedom of Information Reference FOI-2026-3560

I refer to your Freedom of Information (Scotland) Act 2002 (FOISA) request that we received on 2 November 2026 requesting the following information:

> **I am trying to identify which organisations hold data on colonoscopy and/or endoscopy testing as well as calprotectin results for patients with IBD and other bowel or colon conditions whether identified through routine clinical pathways or through a screening programme.**
>
> **Could you please advise whether you hold any colonoscopy and/or endoscopy data? If so, I would be grateful if you could provide details on:**
>
> - **The relevant dataset name(s)**
> - **The timeframe or years of data available**
> - **Relevant data variable names**
> - **The completeness or coverage of these variables within each dataset**
> - **What permissions would be required**
